SCHEDULE 13D

Item 1. Security and Issuer

This Amendment No. 1 (“Amendment No. 1”) to Schedule 13D supplements and amends the Statement on Schedule 13D originally filed by PureTech Health LLC (“PureTech Health”) and PureTech Health plc with the Securities and Exchange Commission (the “SEC”) on February 9, 2018 (the “Statement”). The Statement relates to the common stock, par value \$0.0001 per share (the “Common Stock”) of resTORbio, Inc., a Delaware corporation (the “Issuer”). The Issuer’s principal executive offices are located at 500 Boylston Street, 12th Floor, Boston, MA 02116. The Common Stock is listed on the Nasdaq Global Select Market under the ticker symbol “TORC”. Information given in response to each item shall be deemed incorporated by reference in all other items, as applicable.

Between November 15, 2019 and December 18, 2019, PureTech Health sold an aggregate of 7,680,700 shares of the Issuer. As a result of these transactions, the percentage of outstanding shares of Common Stock that the Reporting Persons may be deemed to beneficially own were reduced by more than one percent of the Issuer’s Common Stock outstanding since the filing of the Statement.

Item 2. Identity and Background

(a) This Schedule 13D is being filed by PureTech Health LLC (“PureTech Health”), a limited liability company organized under the laws of Delaware, and PureTech Health plc (“PureTech Health plc”), a public limited company organized under the laws of the United Kingdom (collectively, the “Reporting Persons”).

(b) The principal business address of PureTech Health and PureTech Health plc is 6 Tide Street, Boston, MA 02210.

(c) PureTech Health is a Limited Liability Company organized under the laws of the State of Delaware and PureTech Health plc is a public limited company organized under the laws of the United Kingdom. Each Reporting Persons is a biotechnology company dedicated to discovering, developing and commercialising highly differentiated medicines for devastating diseases.

(d)-(e) During the last five years, neither the Reporting Persons nor any person named in Schedule I or II have been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The name, business address, present principal occupation or employment and citizenship of the executive officers and members of the Board of Directors of the Reporting Persons is set forth on Schedule I hereto and is herein incorporated by reference.

Item 3. Source and Amount of Funds or Other Consideration

On January 25, 2018, the Registration Statement on Form S-1/A filed with the Securities and Exchange Commission by the Issuer in connection with its initial public offering (“IPO”) was declared effective.

The closing of the IPO took place on January 30, 2018, and at such closing PureTech Health purchased 233,333 shares of Common Stock at the IPO price of \$15.00 per Share.

The source of funds for such purchases was the working capital of PureTech Health.

Prior to the IPO, in March 2017, PureTech Health acquired 1,886,363 shares of common stock as founder shares at par value, the fair market value of the shares at the time of issuance.

In March, August and October 2017, PureTech Health acquired a total of 9,834,369 of the Issuer's Series A Preferred Stock. Upon the closing of the Issuer's initial public offering each share of Series A Preferred Stock automatically converted into the Issuer's Common Stock on a 1.2804-to-1 ratio.

As a result of the transactions described in Item 1 and this Item 3, the Reporting Persons may be deemed to be the beneficial owners of approximately 5.82% of the outstanding shares of Common Stock. PureTech Health plc, as the parent entity of PureTech Health, may be deemed to be the beneficial owner of approximately 5.82% of the outstanding shares of Common Stock. None of the Reporting Persons have acquired or disposed of any additional shares of Common Stock since December 18, 2019.

Item 4. Purpose of Transaction

The information contained in Item 1 and Item 3 above is herein incorporated by reference.

The shares of Common Stock reported in this Schedule 13D were acquired for the purpose of investment and were not intended to and did not effect any change in the control of the Issuer.

The Reporting Persons from time to time intend to review their investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's shares of Common Stock in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time. If the Reporting Persons believe that further investment in the Issuer is attractive, whether because of the market price of the Common Stock or otherwise, they may acquire shares of Common Stock or other securities of the Issuer either in the open market or in privately negotiated transactions. Similarly, depending on market and other factors, the Reporting Persons may determine to dispose of some or all of the shares of Common Stock currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons either in the open market or in privately negotiated transactions.

Except as described above, none of the Reporting Persons currently has any plan or proposal that relates to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

a) As of the date hereof, the Reporting Persons may be deemed, for purposes of Rule 13d-3 of the Act, directly or indirectly, including by reason of their mutual affiliation, to be the beneficial owners of the shares of Common Stock described in Item 3 above.

Based on the 36,443,631 shares of the Issuer's Common Stock outstanding as of November 1, 2019, the Common Stock held by the Reporting Persons constitutes 5.82% of the outstanding shares of Common Stock of the Issuer.

PureTech Health plc, may be deemed to beneficially own all of the shares of Common Stock held directly by PureTech Health.

(b) With respect to the number of shares of Common Stock as to which each Reporting Person has:

(i) sole power to vote or to direct the vote with respect to such shares of Common Stock, please see row 7 of the applicable cover sheet to this Schedule 13D for such Reporting Person;

(ii) shared power to vote or to direct the vote with respect to such shares of Common Stock, please see row 8 of the applicable cover sheet to this Schedule 13D for such Reporting Person;

(iii) sole power to dispose or direct the disposition of such shares of Common Stock, please see row 9 of the applicable cover sheet to this Schedule 13D for such Reporting Person; and

(iv) shared power to dispose or to direct the disposition of such shares of Common Stock, please see row 10 of the applicable cover sheet to this Schedule 13D for such Reporting Person.

(c) The information contained in Items 1, 3 and 4 to this Schedule 13D is herein incorporated by reference. Except as disclosed herein, none of (i) the Reporting Persons and (ii) to the Reporting Persons' knowledge, the persons set forth on Schedule I of this Schedule 13D, has effected any transaction in the Issuer's Common Stock during the past 60 days.

(d) Not applicable.

(e) Not applicable

Item 6. Contracts; Arrangements, Understandings or relationship with respect to Securities of the Issuer

Amended and Restated Investors' Rights Agreement

PureTech Health and certain other stockholders of the Issuer entered into an amended and restated investors' rights agreement with the Issuer (the "Investor Rights Agreement"), dated as of November 29, 2017. Pursuant to the Investor Rights Agreement and subject to the terms and conditions therein, the parties agreed that:

Registration Rights

Following the closing of the IPO, the holders of a certain number of shares of Common Stock, or their transferees, are entitled to the registration rights set forth below with respect to registration of the resale of such shares of Common Stock under the Securities Act of 1933 pursuant to the Investors Rights Agreement.

Demand Registration Rights

Beginning 180 days after the effective date of the registration statement for the IPO, upon the written request from the holders of at least 20% of the outstanding registrable securities (as defined in the Investor Rights Agreement), the Issuer is required to file a registration statement and use commercially reasonable efforts to effect the registration of all or a portion of its registrable securities for public resale so long as the total amount of registrable shares requested to be registered has an anticipated aggregate offering price to the public, net of selling expenses, of least \$15.0 million. The Issuer is required to effect only two registrations pursuant to this provision of the Investor Rights Agreement.

Form S-3 Registration Rights

Pursuant to the Investor Rights Agreement, if the Issuer is eligible to file a registration statement on Form S-3, upon the written request of the holders of at least 10% of Issuer's outstanding registrable securities, the Issuer is required to file a Form S-3 registration statement with respect to their registrable securities so long as the total amount of registrable securities requested to be registered has an anticipated aggregate offering price to the public, net of selling expenses, of least \$10.0 million. The Issuer is required to effect only two registrations in any twelve-month period pursuant to this provision of the Investor Rights Agreement. The right to have such shares registered on Form S-3 is further subject to other specified conditions and limitations.

Piggyback Registration Rights

Pursuant to the Investor Rights Agreement, if the Issuer registers any securities either for its own account or for the account of other security holders, the holders of registrable securities are entitled to include their shares of Common Stock in the registration. Subject to certain exceptions contained in the Investor Rights Agreement, the Issuer and the underwriters may limit the number of shares of Common Stock included in the underwritten offering to the number of shares of Common Stock which the Issuer and the underwriters determine in its sole discretion will not jeopardize the success of the offering.

Indemnification

The Investor Rights Agreement contains customary cross-indemnification provisions, under which the Issuer is obligated to indemnify holders of registrable securities in the event of material misstatements or omissions in the registration statement attributable to it, and the holders of registrable securities are obligated to indemnify the Issuer for material misstatements or omissions attributable to them.

Termination of Registration Rights

The demand registration rights, short form registration rights and piggyback registration rights granted under the Investor Rights Agreement will terminate on the fifth anniversary of the IPO.

The foregoing description of the Investor Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Investor Rights Agreement, a copy of which is filed as Exhibit 2 and incorporated herein by reference.

Except as disclosed herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
